**JUROR QUESTIONNAIRE** (Revised 2-13-25)

Juror number: \_\_\_\_\_

***Please read these instructions carefully before you fill out the questionnaire.***

This questionnaire is part of the jury selection process and utilized to make the jury selection process shorter and easier. You will be answering these questions under oath as attested to by your signature on the last page. The only purpose of this questionnaire is to determine whether, if selected as a juror, you could fairly and impartially decide this case based solely on the evidence presented at trial and the instructions about the applicable law that will be given by the Court. You should answer with your true feelings, whatever they may be. If there is any reason why you might not be able to give both sides a fair trial in this case, it is important to say so.

Your name that you are asked to provide the next page of this questionnaire, as well as your signature on the last page, will be disclosed only to the Court, Court staff, and the attorneys in the case. It will not be shared with the defendants, witnesses, investigating agents or non-lawyer members of the legal teams. Your responses as set forth in other portions of the completed questionnaire will be anonymous, and those will be shared with the judge, attorneys, parties to the case, and others—but only upon express order of the Court.

Please answer each question as fully as you can. It is extremely important that you answer all the questions yourself, honestly and completely. Do not leave any questions blank. If a question does not apply to you in any way, write “N/A” (for “not applicable”), rather than leaving the question blank. If you do not understand the question, please write that in the space for the answer. If you need more space, please write the question number on the last page and finish your answer. If you feel the answer is too personal, please say so in the space provided. You will have the opportunity to discuss your answer privately. There are no correct answers. The correct answers are truthful answers.

Please do not write on the back of any page. If you need additional space for your answers, use the blank space provided on the last pages of the questionnaire.

You are instructed not to discuss this case or questionnaire with anyone, including your family, fellow jurors, the parties, or the attorneys involved in the case. It is also important that you do not engage in any research such as searching for stories or reports on the internet or social media about this case or anyone or anything to do with it. You must not read or listen to any media accounts whether in a newspaper, on the internet, on television, or on the radio. Do not discuss or post anything about this case on any electronic or social media, including Facebook, YouTube, Twitter, X, Reddit, Instagram, LinkedIn, Snapchat, TikTok, email, text message, any blog, website or chat forum or any other media of any kind.

Upon completion, please make sure you have included your Juror Number on the bottom of this page and the top of next page of the questionnaire. Sign your name on the last page where indicated. Your answers will be given the same effect as a statement given to the Court under oath.

Jury service is one of the most important duties a citizen can be called upon to perform. Thank you for your time and candor.

PLEASE RETURN TO THE JURY ROOM AT 8:30 AM ON TUESDAY, FEBRUARY 25, 2025
